FIFTEEN CENTS

Blizzard hits! In 4 days 20 inches clog streets, close schools

By SUE NASENBENY

It started off with 10 consecutive days of sub-zero temperatures, including last Thursday's bone-chilling 29 below in Antioch — not counting the wind chill factor.

That beat an all-time unofficial record for the village set back in 1904 when it was minus 25 degrees.

Then it snowed. And it snowed. And it snowed.

The white stuff amounted to 16 and one-half inches over the weekend in Antioch, which was heaped on top of the snow left from the storm over New Year's Eve.

Last Friday, two and one-half inches of snow descended on the village, followed by six inches more on Saturday and eight additional inches on Sunday, according to Tom Robinson, official weather observer for the National Weather Service in Antioch.

If that wasn't enough for residents, Monday morning they woke up to a frigid 19 below mercury reading. As schools and some businesses closed, the white flakes began to come down again Monday afternoon and by evening four more inches had accumulated in Antioch; Robinson reported.

On Tuesday morning, the mercury once again dipped to 14 below but at least skies were sunny. Another storm was predicted to hit Antioch Tuesday evening.

The snow clogged streets and driveways, forcing residents to dig out their parked cars over the weekend if they were

downtown or leaving them stranded at home if they were there when the storm hit. The "Blizzard of '79" as it is being coined, caused damage to two businesses in town. Quaker Industries on McMillen Road and Rittenhouse and Embree Lumber Co. at 315 Depot St. as the roofs of both buildings collapsed from the weight of the snow.

The roof of a warehouse section on the west end of the Quaker plant measuring 150 feet by 40 feet caved in from the weight of the snow last Sunday afternoon, causing no injuries since the plant was closed that day, Gib Petzke, personnel director, said.

"That section was used for raw material storage. It (the roof collapse) hasn't interrupted production, however. We are now in the process of having it repaired and we don't have a dollar amount on the damage as of yet," he said.

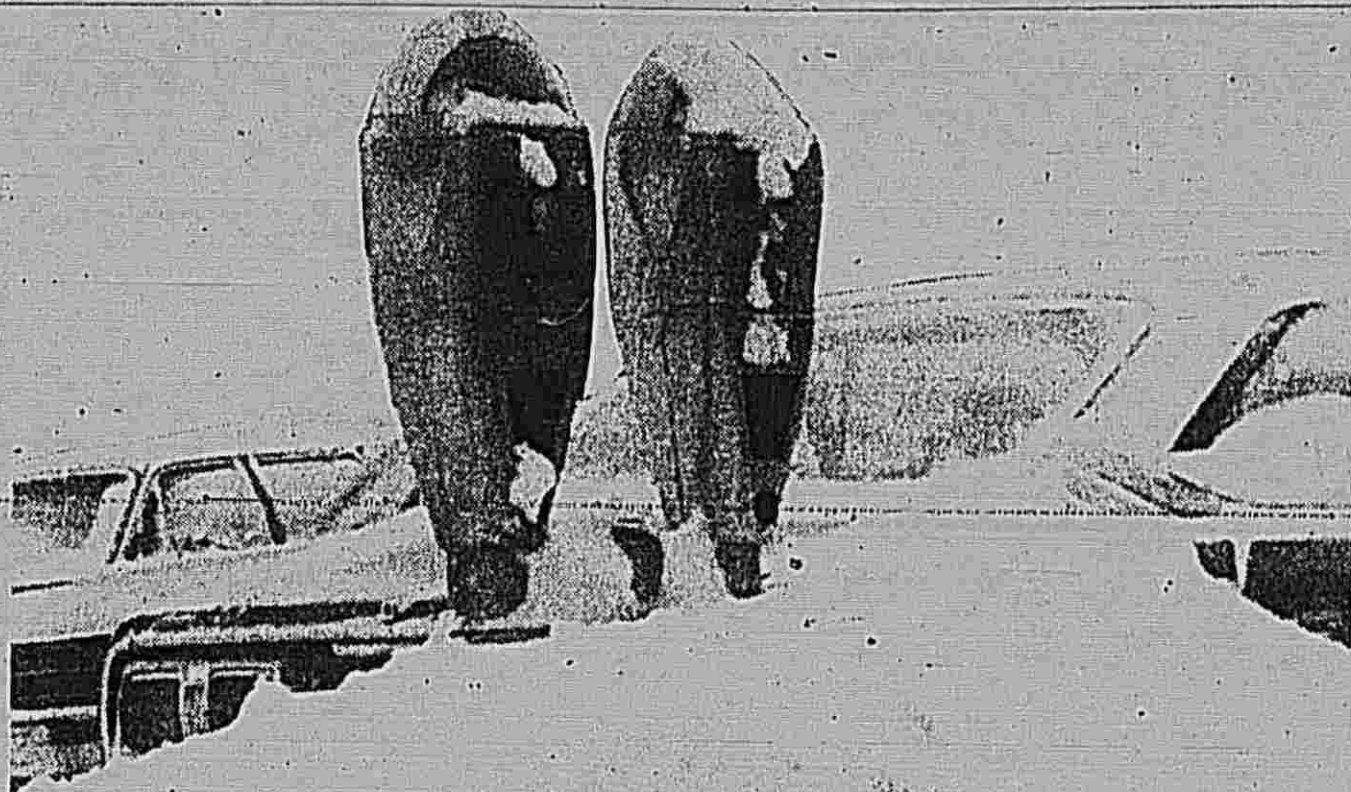

At Rittenhouse and Embree Lumber, Bud Scichowski, general manager, said the snow and wind Saturday evening snapped the poles supporting an umbrella shed measuring 200 feet by 400 feet.

Lumber was stored underneath the shed, causing a yet undetermined amount of damage. Scichowski said the blizzard also caused damage to two of the company's buildings at other locations.

Antioch Police Chief Chuck Miller said police managed to answer every emergency call during the storm, although police were a bit hampered by the weather.

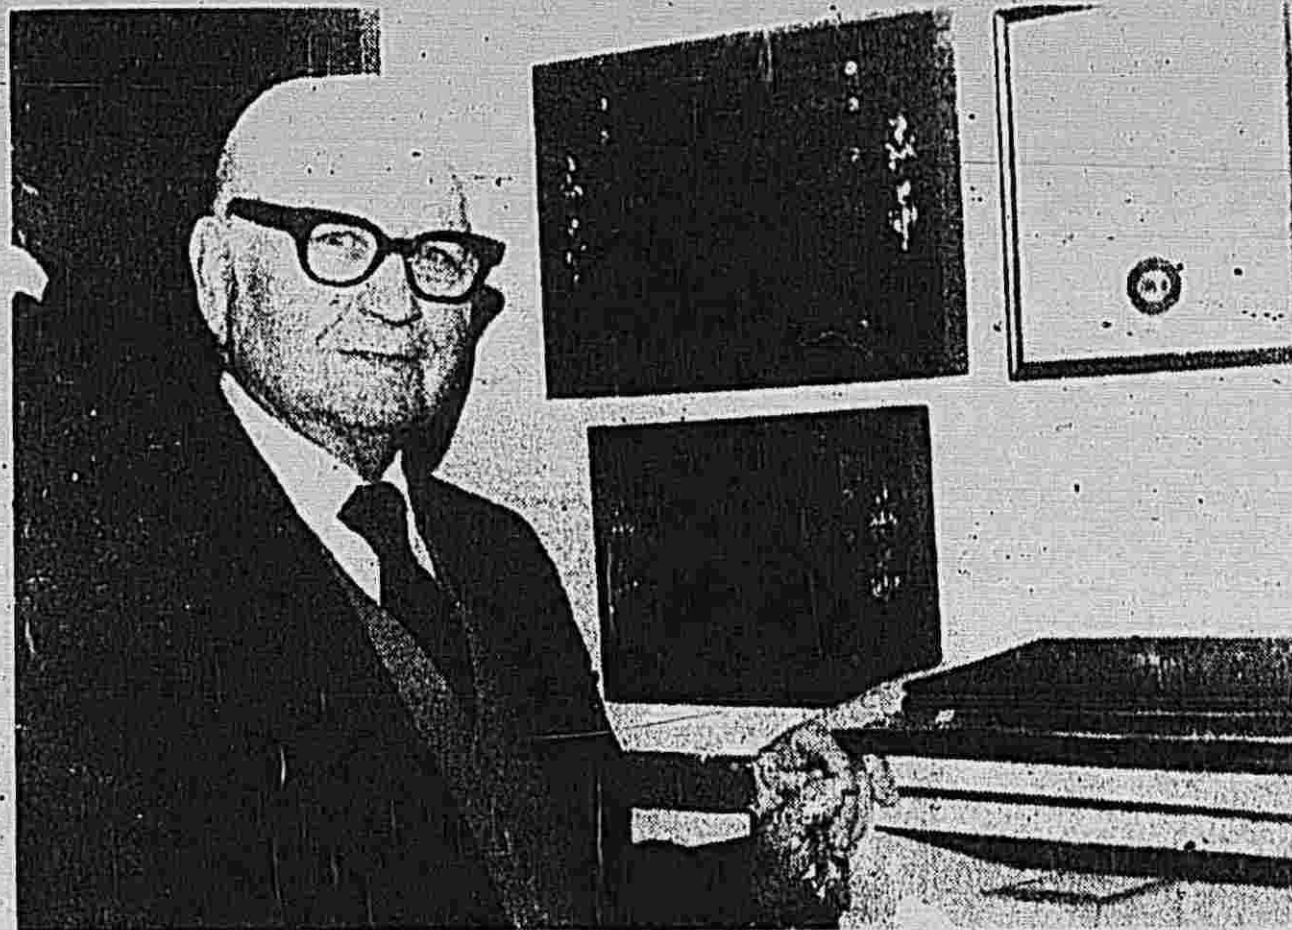

Miller said the biggest annoyances during the storm were calls by residents

Name of new school is W.C. Petty Elementary

DR. W.C. PETTY stands beside a few of the numerous awards he has been given in his more than 40 years of service to public education in Antioch. His newest award was given by the Board of Education of school district 34 as they named the new grade school in his honor.

W.C. Petty Elementary School will be the name of the new grade school in Antioch, in honor of one of the village's most beloved educators and citizens.

A seven-person committee screened about 100 essays submitted in the "Name Your School Contest," Supt. Donald Skidmore said. From those, the top six essays were selected and then given to the Board of Education to make the final decision.

The board agreed upon the essay nominating Dr. Petty which was written by Lisa Mayer, a seventh grader at the Upper Grade School.

Supt. Skidmore said Petty's name was suggested in several other essays but the committee chose Miss Mayer's as the best. She will now have \$300 worth of library books put in the new grade school's library under her name.

The funds for the books were donated to the school district by the First Bank of Antioch, the State Bank of Antioch and the Antioch Savings and Loan Association.

Skidmore said, "The board's selection of Dr. Petty's name pleased me. He's served public education in Lake County for 47

years, originating in district 34."

Construction on the new school, located near the Upper Grade school, will be completed about mid-year of next school year, Skidmore said. It will contain grades kindergarten through five.

THE FINALISTS' ESSAYS include Betsy Houghton's, who suggested "Lakeland Grade School"; Mary Haviland's, who nominated "Frank M. Simmons Elementary School"; Tammi Pedersen's, who suggested "Modern Pioneers Grade School"; Bob Heath's, who nominated "High View Grade School"; and Suzy Kotlinski, who suggested "Marsh Creek Lower Grade."

Following is the winning essay by Lisa Mayer.

William Petty Elementary School

I chose this name because Mr. Petty is a well known and outstanding senior citizen of this town. He has helped this town in many ways. Mr. William Petty has donated his time and energy to serve this town. He has been working to make Antioch a better town.

Help remove snow from fire hydrants

Have you checked your local fire hydrant lately? Antioch's Fire Prevention Bureau asks all residents during the village's blizzard conditions to please remove snow from fire hydrants in order to make them accessible from the street.

This is especially im-

portant in aiding the fire department during emergency situations so that a hydrant can be quickly located.

Captain Jimmy Quedenfeld said the Fire Prevention Bureau would appreciate Antioch residents' cooperation. It could prevent a disaster.

\$90 stolen in robbery of Antioch Drugs

About \$90 was taken from the Antioch Drug Store Jan. 10 in a strong-armed robbery, Antioch Police reported.

About 2:45 p.m. that day, a man entered the store and purchased a small item. At that time he located the larger bills in the register, police said.

The man made a second purchase and as the cash register drawer was partially opened the man grabbed the larger bills as he said, "This is a stick-up."

However, no gun was displayed at that time.

Police Chief Chuck Miller said witnesses observed the subject get in a car which the police have a description of.

Conway arrested on drug charge

A 20-year-old Antioch man, Patrick M. Conway, was arrested Jan. 11 for possession of a controlled substance.

Antioch Police Officers Lange and Allen stopped the vehicle in which Conway was a passenger at 2:33 a.m. that day when they found a controlled substance in the man's possession. He was then arrested.

Conway will have a hearing at 9 a.m. Jan. 25

Sr. Citizen housing requests to be taken

Applications for the 90-unit apartment project for Antioch senior citizens and handicapped residents can be taken in about two months, if the project is approved by the village board Monday.

The apartment project was approved by the Illinois Housing Development Authority last week and would be developed by Edward Palmer of Chicago and drawn up by John Black, an architect from Chicago.

The apartments would be located on a 3.8 acre tract of land next to Williams Park and adjacent to the Antioch Aqua Center, where a house is presently located.

The land is owned by Harold and Alice Young, former residents of Antioch who currently live in Chicago.

THE PLAN FOR THE apartments' approved by the IHDA includes 30 one-bedroom units and 10 two-bedroom units especially designed for the handicapped and 50 family apartments consisting of 15 one-bedroom units, 25 two-bedroom units and 10 three-bedroom units.

Village Clerk Marilyn Sterbenz said the rent would be subsidized by the state and senior citizens would be eligible to live in all but 10 of the apartments.

Sterbenz said Palmer told her it takes about 60 days for the architect to draw up workable plans to submit to the IHDA and after the plans have been approved, applications can be taken for the housing.

Those applications will be reviewed by

the IHDA to determine if they are eligible, she said.

TO BE ELIGIBLE IN 80 of the apartment units, one person in the family must be 62 years old or older. The remaining 10 units would be reserved for low-income families.

The cost of rent, Sterbenz said, would be no more than 25 percent of a person's total net income, so the cost of each apartment would be determined individually.

Concerning inquiries to the apartments, Sterbenz said she has "quite a few names on a list, upwards of 80" of those who have given their names to be contacted if the development was okayed.

She said she has to update the list to see if those people are still interested. The list has been accumulating since 1971 when the village first attempted to establish senior citizen housing.

STERBENZ SAID CONSTRUCTION on the apartments would probably begin this spring, because Palmer told her a "thaw" construction could start then.

As far as completion of the project, Sterbenz said that could be "anywhere from nine to 18 months."

She said, "We've been trying to do something like this since 1971 and I know the village board will do everything in its power to help this project."

"I think there's a tremendous need for senior citizen housing," she added.

Patrovsky property annexation to be decided Monday night

Whether the 122-acre property north of Antioch owned by Joseph Patrovsky will be annexed to the village will be decided at a public hearing at 7 p.m. Monday in the village hall.

Patrovsky, owner of Jo-Pat Meats on Main Street, is seeking to annex two proposed subdivisions located west of Main Street and north of North Avenue and extending to the Wisconsin state line.

The adjoining tracts of land include Johelia Country Estates, the first to be developed and comprised of 49.5 acres, and Country Ridge Manor consisting of 73 acres. A total of 400 housing units are planned to be constructed.

Patrovsky's wife Gloria said the name Johelia was chosen as a combination of the names Joseph, after Patrovsky and his father, Helen, after Patrovsky's mother, and Gloria, after his sister and wife.

The Johelia Country Lane Estates would include 84 three and four-bedroom homes and 19 five-unit apartments, mainly two-bedroom. Mrs. Patrovsky said that development would hopefully begin construction this spring if annexed.

The entrance to that subdivision would be off of North Avenue and west of Main Street, she added.

The second phase of the development, Country Ridge Manor, would consist of 137 homes and 22 apartments averaging five units per building, Mrs. Patrovsky said.

This subdivision would not begin construction for about five years. "We wanted to seek annexation for both tracts at the same time since it would be easier and better for the village," she explained.

The entrances for Country Ridge Manor would be off Wilmot Road and also off North Avenue.

Patrovsky is also seeking annexation for some commercial development, such as shopping centers and light industry buildings which would be convenient for area residents.

The commercial developments would be located next to Jo-Pat Meats on Main Street.

Mrs. Patrovsky said the area proposed to be annexed is presently part of Antioch township. If annexed, this would make it part of the village and qualify it for village sewer and water services as well as village police and fire protection.

She added that she did not know what the average cost of a home would be since that would be up to the home contractors.

Lots of changes to come for DeGraff's Family Shoe Store (925 Main Street).

First of all, Rick Siebert is the new manager, and he has some fresh ideas to incorporate into the well-rounded shoe store.

Next, the store is moving to larger facilities at 907 Main Street. The new shop should be finished with its remodeling the first part of February, and then the move will take place soon after.

And last but certainly not least, the new DeGraff's Shoe Store will feature a wider selection of ladies and children's footwear.

Rick said, "Women are really into fashion again, they buy shoes and accessories to match every outfit, and we intend to supply them with a huge selection."

The enthusiasm is catching and both Lennie DeGraff and Rick are looking forward to a new and exciting year.

ED AND JOE BAKSHIS are smiling—they are proud to be celebrating their first anniversary.

The year went fast with changes taking place all the time. What started out as a photo store offering sales and service is now supplying Antioch with quality service, a wide variety of cameras and projectors and the use of dark room facilities.

I'm not sure, but their second year in business will probably lead to bigger and better things.

"THE WORLD FAMOUS" Village Pub is open again after some minor remodeling.

Bill Georgeson, owner, has created a new atmosphere with a revised menu and both are done in good taste.

IF YOU LIKE to clap your hands and stomp your feet, get down to the new Norshore Resort, where "Hot Nuts" Ron and his band will be appearing Saturday.

Dale Gunty, the new owner, guarantees a fun-filled night.

TOM HUCKER OF Candlelight Galleries returned from Florida in time to put the finishing touches on the new lighting fixture store at the intersection of Routes 59 and 173.

The store is about four times as big as before, but Tom is filling it up with more lights and a completely new line of electrical supplies.

The store is open now, however, and everything should be finished in a week or two, and then Tom's work will really begin. It's a good thing he took his vacation before. Besides, he got back just in time to shovel snow.

Berning files bill for direct relief of property taxes

Sen. Karl Berning, R-Deerfield, has filed a bill for introduction in the Senate to roll back assessed valuation of real property to 1975 levels.

This level would remain until zoning classification or use of the property changes, if improvements increasing the assessed valuation are added to the property or if the ownership of the property changes.

"The measure is identical to one I sponsored last session. It is the most direct approach to property tax relief, which is drastically needed, especially in Lake County," Berning said.

"My bill would allow residents to depend on a stable assessment for tax purposes, unless there are changes on the property. This especially would benefit homeowners living on fixed incomes, who find it a terrible hardship to absorb property tax hikes," he added.

He said he expects a record number of bills dealing with tax relief to be introduced this year in the General Assembly, "since it seems to be a hot issue right now."

He added he has been concerned with the problem for many years, and that this bill is well-researched, unlike some other hastily drawn-up proposals. The GOP senator predicted his bill has a good chance of passage.

Property taxes have risen sharply in recent years because of local referendums, inflation-caused increases in the value of homes and improved assessment procedures on the part of local tax assessors.

Filing a bill with the Secretary of the Senate is the first step for consideration of a bill.

Blizzard hits Antioch

asking the condition of the roads during the storm, "which changed minute to minute."

He requested that residents call the police for the condition of local roads after a storm has subsided so that police may be able to give an accurate report.

For an accurate report of the road conditions between towns in the area, he said residents should call Elgin State Police in emergency situations only.

Elgin State Police said they have been swamped with calls and suggested that people listen to the radio or TV for road reports.

Also, Miller said residents should check their doors periodically to make sure they are not snowed in. "If an emergency arises, they may be snowed in at their own homes," he warned.

Also, he said if residents need to call police, they should have someone watch for them out in the road and have their address number marked on the house so that it is visible from the street.

Early taxpayers to get refunds sooner

Taxpayers who file their Federal income tax returns early in the tax filing season will get their refunds sooner than those who file closer to the April 16 deadline, the Internal Revenue Service said.

Due to the lower volume of returns processed in January and February, taxpayers who file during those months may expect to receive their refunds in four to five weeks, according to the IRS. Those who do not file until April may wait as long as eight weeks for their refunds.

The IRS also cautioned taxpayers to double check their returns, especially the computations, before filing. Errors can delay any refund due.

Taxpayers can also save time this year by checking their tax instructions which are keyed to lines on the form for easier reference. The instructions often can lead a taxpayer to some overlooked deductions.

"Good Grief, Doctor! According To This Data The Strange Atmospheric Conditions Surrounding Venus Are Caused By Inflation!"

Deuster: Need tax relief on groceries

State Representatives Donald E. Deuster, R-Mundelein, and Miriam Balanoff, D-Chicago, have jointly introduced House Bill 187 to repeal the Illinois Sales Tax on food and prescription drugs.

"The people of Illinois desperately need tax relief," said Deuster, "especially those on fixed incomes, the poor, and senior citizens — all of whom must eat."

As she joined in introducing the bill, Representative Balanoff observed, "The escalating cost of groceries for every family in Illinois justifies this exemption from the sales tax for food."

Deuster stated that H.B. 187 was modeled after the Michigan law which has been in effect since 1975. He noted that 22 states plus the District of Columbia provide for the exemption of food from sales taxation.

These states include Indiana, Iowa, Kentucky, Michigan, Wisconsin, California, Connecticut, Florida, Maine, Maryland, Massachusetts, Louisiana, Minnesota, New Jersey, New York, North Dakota, Ohio, Rhode Island, Pennsylvania, Vermont, Washington and Texas.

Representative Balanoff emphasized that six of the seven states bordering Illinois exempt food from their sales tax.

Representatives Deuster and Balanoff expect that hearings on House Bill 187 will take place in February.

FINANCIAL NEWS

[Editor's Note: This financial news column is designed for the general education of our readers. Mr. Schaub, assistant vice president of the Antioch Savings & Loan Association, will discuss areas such as taxes, insurance, investments and financial planning in general.]

Philip Schaub

Uncle Sam has a lot of due dates for filings, payments, etcetera.

It's hard to keep up with all the things he wants, let alone the dates things are due. Worse, there are severe penalties if we miss a due date.

The IRS does not send out reminders. I'm going to try to let you know when these dates are coming. I can't guarantee that I'll get them all, but at least you'll get most of them.

The dates of interest in January that I'm aware of are: Monday, Jan. 15 - Final quarterly installments of estimated individual income taxes are due. You can skip the Jan. 15 date if you file your 1040 and pay any balance due by Wednesday, Jan. 31.

WEDNESDAY, JAN. 31 - W-2's must be in employee's hands. And 1099's showing interest and dividend income must be in your hands. If you don't have them by this date, call the institution holding your money and ask them to send out a duplicate.

Employers who pay or reimburse an employee directly or indirectly for moving expenses must give an employee involved in it last year a breakdown of the payments. Form 4782 can be used.

Form 942 is due if you are liable for social security taxes because you paid \$50 or more in October, November and December to a household employee. You also have to give them a W-2 and pay the social security tax.

EMPLOYERS SUBJECT to federal unemployment tax (FUTA) must file an annual return for 1978. You can use Form 940. You can wait until Monday, Feb. 12, if you made your deposits on time.

Form 941 for income and social security taxes withheld from employee's salaries in October, November and December of 1978 are due. You can wait until Monday, Feb. 12, if you made your deposits on time last quarter.

This column is meant for the general education of Antioch News readers. For more information on this particular topic, you can contact your tax advisor or you can reach the IRS at 435-1040 (toll free, 800-972-5400).

Grade School students to attend classes longer

Students at Antioch Grade School will attend class 15 minutes longer beginning next school year, the grade school board has decided.

Board members approved the recommendation of Supt. Donald Skidmore who said one of the grade school's major problems "may be the lack of adequate instructional time."

He said classes will continue to begin at 8:45 a.m. but dismissal will be extended 15 minutes to 3:15 p.m., starting next September.

In his notes to the school board, Skidmore explained, "Currently we begin school at 8:45 a.m. and let out at 3 p.m. This amounts to a 6 1/4 hour day."

"However, if you subtract out 30 minutes daily for lunch, 30 minutes for art once a week, 30 minutes of music twice a week, or 30 minutes of P.E. three times a week, and at least 15 minutes for recess twice a day, we have about 4 1/2 hours remaining for our primary instructional program. This is simply not enough when you take into account what we are trying to accomplish," he said.

Skidmore continued, "The administrative staff and I have discussed this on a number of occasions. We mutually agree that we need to gain additional classroom instructional time for our elementary program. To gain the additional times we would propose that the Board consider lengthening the school day by 15 minutes; from 8:45 a.m. to 3:15 p.m."

"Additionally, we would strongly suggest that the district drop the weekly half hour of art instruction in grades 1 to 5 which is taught by an itinerant art instructor. We would have the classroom teachers teach their own art by integrating it with subject matter," he said.

"Through the combination of lengthening the school day combined with integrating the art program in grades 1 to 5 with subject matter we would gain one hour and 45 minutes of additional instructional time weekly."

"Hopefully, the additional time will enable us to do a better job in math, reading, science, language arts and social sciences," he added.

Skidmore also said, "The heart of the report and the issue is to gain greater instruction time for our elementary children. In doing so we would hope that we could do a better job in teaching the fundamental skills for which we are responsible."

Regarding the budget for the 1979-80 school year, Skidmore said his staff is assessing both certified and non-certified staff "with the goal of working toward a balanced budget."

"I have asked each principal to assess his certified and non-certified needs. For the first time we are talking about teach/pupil ratios as the basis for assigning teachers to buildings," he explained.

Skidmore added, "How the teachers would be

distributed would be the responsibility of the building principal."

The superintendent also projected the enrollment figures for next school year based on enrollment figures in January of this year.

The enrollment projection shows a decline in enrollment for the four grade schools in district 34.

Channel Lake Grade School has an enrollment of 122 students this year but that figure is expected to drop to 108 by next year. Antioch Lower Grade School, which currently has 392 students, is expected to drop to 371 students next year.

Also, Oakland Grade School, which has 537 students now, is projected to decline to an enrollment of 510. Antioch Upper Grade School currently has 575 students but that figure is expected to drop to 560 next year.

All four schools have a total enrollment of 1,626 students this year but that is expected to decline by 77 students to 1,549 students next year.

Skidmore said, "While we have had a lot of in-out movement, the net effect is one of our enrollment remaining stable this year. That is one key to analyzing enrollment."

"The other essential factor is that of kindergarten. All projections indicate a continuation of a declining kindergarten enrollment," he added.

He said the financial implication of the student loss will not result in any great loss of state aid for the 1979-80 school year. "Rather, the penalty will come the following year (1980-81) in the form of a deduction due to the overpayment for the 1979-80 school year."

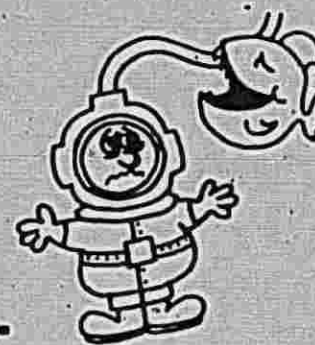

In other business, Mrs. Kathryn Harp of Lindenhurst was hired as a part-time secretary at the Upper Grade School and will be paid \$3.45 per hour.

She began her position Dec. 18 and will replace Mrs. Barbara Beese, who resigned.

Also at the meeting, the board decided to send a thank-you note to Bill Brook, president of the State Bank of Antioch, for his donation of candy canes to the children of the elementary schools.

The Time Machine

50 YEARS AGO: JANUARY 17, 1928

Ice is being cut this week on Channel Lake, Loon Lake and Lake Catherine. Many men from Chicago and other nearby cities have obtained employment during the ice-cutting season.

Hans Von Holwede, organist at the Crystal theatre, has returned to Antioch after being in Chicago for more than three weeks, playing at the United Artists theatre.

Plans for opening a flying field in Antioch were given by Eddie Bounselle, local garage owner, at a meeting of the Antioch Business Club in the high school dining room. Mr. Bounselle said that he hopes to bring three planes here — one, a large five-passenger machine, another for individual passenger service, and the third equipped for instructing future pilots. Mr. Bounselle, who is an ex-army pilot, declared that he is willing to give his services to the club for sponsoring a flying circus.

Work in the new airplane factory in Barrington was started last week, when Major M.D. Mann, plane designer and directing head of the new plant, put two expert mechanics at work building the first plane.

Celebrating their silver wedding anniversary, Mr. and Mrs. Andrew Lynch entertained 75 guests in the Danish Hall Saturday night. Fifty out-of-town persons who were invited were unable to be present because of the severe cold and because of influenza. The first part of the evening was spent in playing 500. Supper was served at 10:30, following the supper John Larkin entertained with three recitations. The remainder of the evening was spent in dancing dances popular 25 years ago.

30 YEARS AGO: JANUARY 13, 1949

Mari-Anne's Dress Shop will hold open house in the new location, the Sommerville building formerly occupied by the A&P Store on Friday, Jan. 21, at 7 o'clock.

Rev. L.H. Messersmith is showing sound motion pictures in eight local schools this week.

Mr. and Mrs. Vern Rogers attended the inauguration of Governor Stevenson of Illinois and also attended the grand ball at Springfield this week.

Miss Yvonne Peterson will present an Operetta, "Rescue of Princess Rosebud," featuring singing and dancing and dramatics by children of the vicinity.

Mrs. Marie Hamlin was a Waukegan shopper last Saturday.

Erwin Barnstable Sr. is building a garage on his property on Burnett Ave.

The Cosmopolitans held their second annual Winter Wonderland Dance at the Lake Villa gym on New Year's Eve. It was a semi-formal affair. The gym was decorated with 200 evergreens which were flood-lighted from behind. The large center tree was decorated with blue lights and icicles. Carl Geng was crowned king and Joanne Midgley was queen.

We will be open all winter to continue serving you in your Simonizing and auto washing needs. As a service to you, we will pick up your car, Simonize it, and return it within 4 to 6 hours at no extra charge if you live within a 5 mile radius of Antioch.

10 YEARS AGO: JANUARY 16, 1969

A 7-year-old Chicago girl, kidnapped on her way home from the grocery store was released unharmed near Antioch by her male abductor. She wandered ¼ of a mile before finding someone home at the home of Mrs. Fred Washburn and her daughter, Mrs. Jean Van Patten. She was still carrying a bag containing a dozen eggs and a newspaper she had been sent to the store to get.

U.S. Rep. Robert McClory announced that he has nominated Jerry Donal Martin for appointment to the United States Military Academy at West Point. Jerry is a senior at Antioch High School.

Annie Mae — A trip to Disneyland will be the prize if Kimberly Lowe is the winner of the Kute Kiddie contest at the Belvidere Mall. Her photo was entered without the knowledge of her family.

Did you know Doc Kopriva is having his own "thing" meaning an art show for the month of Jan. at the Waukegan Court House?

Donors needed for annual blood drive

St. Peter's is only 10 days away from having its seventh annual blood drive, Jan. 27 in the Social Center from 9 a.m. to 3 p.m.

Blood is the key to health and life itself. Many accident victims, patients with blood diseases and people facing surgery need more blood than they can produce themselves in order to live.

One pint of blood is needed for every 25 men, women and children each year. A readily available source of blood assures the health and survival of these people. January is the one month of the year when the blood supply is at its lowest level due to bad weather and colds or flu. Critical surgery is often postponed because of a lack of blood.

The purpose of the Red Cross blood program is to collect blood from donors in the safest possible manner to provide a steady, dependable supply of blood for those who need it.

You can be a donor, even if you do not belong to St. Peter's Parish. You will be covered one year from the date of donation.

Your pint of blood will then benefit your family, including parents, parents-in-law, grandparents and grandparents-in-law, wherever they may reside.

Co-chairladies of this year's blood drive are Mrs. Ellen Barr Ipsen (395-2884) and Mrs. Gloria Grealis (395-1643).

If you have any questions, please call Mrs. Ipsen or Mrs. Grealis.

CHARLENE KELLOR and RANDALL SCHULMEISTER

Summer wedding planned

Faith Evangelical Lutheran Church will be the setting early this summer when Charlene Kellor, daughter of Mr. and Mrs. Duane Kellor, Antioch and Randall J. Schulmeister exchange wedding vows. This is the church where the young couple met.

Randall, the son of Mr. and Mrs. Arnold Schulmeister, Antioch, graduated from Antioch High School and is employed by Bruce Galan Plumbing of Zion.

Charlene also attended Antioch High School and is now employed in the office of that school.

New school named Petty

Continued from page 1

William Petty was superintendent for many years in Lake County Schools. William Petty has helped many clubs and organizations in Antioch to raise more money to benefit others. Mr. Petty is retired now so he can spend more time in the town of Antioch.

This town has many people that have put in their time and energy to make it better, but I think Mr. William Petty has beat them all. That is why I picked the name William Petty Elementary School.

The Teachers of District No. 34 Thought You Should Know

"Today the budget is considered to be an instrument through which progress may be implemented. Further, it (the school's budget) is the fiscal interpretation of the educational program."

as stated in the Antioch Community Consolidated District #34 1978-1979 Budget

We, as teachers, feel it necessary to make public the "progress" and direction of Superintendent Skidmore and the board of education. These figures were derived by comparing this year's budget to last year's expenditures.

WHAT PROGRESS?!? THEY'VE MADE FOR OUR SCHOOLS

1. School nurse - eliminated
2. Teacher position at Oakland - eliminated. Now fourth grades overcrowded.
3. Teacher's aid - eliminated
4. K-5 teachers' secretary - eliminated
5. 6-8 teachers' secretary - eliminated
6. Assistant coaches - 3 eliminated
7. Intermediate intramurals - eliminated
8. Sports - budget cut
9. Playground supervision - budget eliminated
10. Textbooks - budget cut
11. Library Supply - budget cut 30%
12. Educational testing services - eliminated
13. Film Co-op - eliminated
14. Instructional supplies - budget cut
15. New instructional equipment - budget cut
16. Rental equipment - budget cut
17. Curriculum development fund - cut

WHAT PROGRESS?!? THEY'VE MADE FOR THEMSELVES

1. Liability Insurance - up over 300% (could this be because we have no nurse and thus are more liable?)
2. Unemployment Compensation - last year \$0 budgeted (not needed). This year \$10,000 budgeted.
3. Professional negotiator - to help the \$33,000/yr. superintendent & board do their jobs
4. Insurance consultant - to help the \$33,000/yr. superintendent & board do their jobs
5. Contracted services for administration - 21% increase
6. Administrative travel money allowance - 800% increase
7. Administrative Supplies - 33% increase

We ask, do these figures illustrate the progress our school district hopes to make?

If so, we question the ability of Superintendent Skidmore and the school board to effectively lead this community's schools toward quality education.

*The above figures were taken from Antioch Com. Dist. #34 1978-79 Budget which may be inspected during regular business hours. We feel the public has a right to know.

'Greatest thing that has happened to me' - Petty

By SUE NASENBENY

It was probably the biggest honor he or anyone else could receive — a school was named after him.

Dr. W.C. Petty, Lake County superintendent of schools for more than 40 years, now retired, said he was "surprised and delighted" to learn that the new grade school in Antioch would bear his name: the W.C. Petty Elementary School.

His name was chosen by the Grade School Board in a winning essay written by Antioch Upper Grade School seventh grader Lisa Mayer.

"This is the greatest thing that has ever happened to me," Dr. Petty said.

He added, "It delighted me to receive the honor from my home community."

Dr. Petty, who was the Dean of the Illinois county superintendents of schools when he retired; began as a teacher in a one-room schoolhouse in Richland County, Ill. where he was born 80 years ago.

He married teacher Lilly Murphy in 1923 while downstate in Murdock, Ill. and they traveled to Grayslake where they both taught for a few years before moving to their present home on Spafford Street in Antioch in 1926.

Dr. Petty taught seventh and eighth grades at the old Antioch Grade School on Main Street while also serving as superintendent of that school district. "It was not a very burdensome position," he added.

He said the opportunity to run for county superintendent came up in late 1930 and he decided to run on the Republican ticket.

He held the chief post as superintendent from his induction in March of 1931 until his retirement in 1971.

Dr. Petty served 10 full four-year terms as county superintendent of schools and had the responsibility to see that every district had school conducted according to the laws of Illinois. He also helped prepare the curriculum and calendar for Lake County schools.

When he began office, he said there were 112 school districts in Lake County and due to consolidation he saw that figure drop to about 53 districts before he retired.

Dr. Petty said he gave more of his time to the elementary schools, "particularly the small elementary schools."

When asked what he thought of the changes incurred in schools over the past 40 years, he said, "I learned a long time ago that all change isn't progress."

"The educational process is hard to evaluate. Pupils today are exposed to many more things and have more opportunities, such as learning centers and physical education classes," he explained.

Dr. Petty himself was educated at Olney

W.C. Petty

High School in Illinois and then went on to obtain a bachelor's degree in education from Illinois State Normal University. He also obtained a master's degree from Lake Forest College, where he taught evening courses in education.

Dr. Petty said he did not think of his career without first viewing himself as a teacher.

However, he has accomplished quite a few notable tasks during his career and has been awarded numerous honors. In 1941 he was appointed by Gov. Green as one of the nine members on the Illinois Public School Commission set up to codify all laws of the state pertaining to public education.

Also, in 1960, he organized the Special Education Joint Agreement district of Lake County for the benefit of children who could not be adequately educated in the regular classroom, which he said he considered one of his most notable achievements.

Dr. Petty has also received awards for his services to the school children of the county, for his dedication to the handicapped children in the area, for outstanding service to taxpayers by a Lake County public official and for his untiring efforts for retired teachers in Lake County.

Dr. Petty and his wife Lilly have also reared three sons, all of whom are married. They include Frank, who is a journalist in Los Angeles, Cal.; William, who is a realtor in Antioch; and David, who is a doctor in Shawano, Wis.

Upon reflecting on his most recent honor, the W.C. Petty Elementary School, he reminisced, "Once I had a school master who always said 'It warms the cockles of my heart' whenever he was pleased with something."

"That saying means it satisfies the core of one's being. Well, when I received the call from Superintendent Skidmore informing me that the new school would be named after me, it certainly warmed the cockles of my heart!" he chuckled.

Nominations needed for service awards

Antioch has many fine civic organizations which can not exist without qualified people filling their positions capably.

Most of these people go unrecognized and unrewarded, with the few public recognitions going to older members of the community, who have been able to fully develop as leaders.

In order to acknowledge the younger leaders, the Antioch Jaycees decided to sponsor the Distinguished Service Awards which will be presented Feb. 3 at a dinner/dance at St. Peter's.

At the awards banquet, the outstanding young person in Antioch between the ages of 18 and 36 will be recognized.

Also, other young men and women to be recognized are the outstanding religious, educational and public service leaders.

Jaycee spokesman Phil Schaub said, "We think these people deserve community recognition. We're proud to include the awards banquet with a community dinner/dance in their honor."

The selection committee is preparing to examine the nominations for the Distinguished Service Awards. Five of Antioch's

leaders have agreed to be on this blue ribbon committee.

The presidents of Antioch's three financial institutions, Tom Kelly, Bill Brook and L.M. Woods are on the committee. They are joined by Pastor Laurin of St. Steven Lutheran Church and Donald Amundsen, a village Trustee.

They will all meet to decide the winners of these awards on Jan. 28. In order to have all nominations in their hands by that date, forms must be in the mail by Jan. 25.

A person must be nominated to be considered by the Selection Committee.

"Think hard about who you think should receive a Distinguished Service Award. If you know someone you think truly deserves the award, pick up a nomination form and have him or her fill it out," Schaub said.

Nomination forms and tickets to the dinner/dance are available at Stanley's Men's Fashions, Lyons and Ryan, Antioch Savings and Loan, The Brauhaus, State Bank of Antioch, The Village Pub, First National Bank, the Chamber of Commerce and the Antioch Jaycees.

4 enroll in Farm Income Tax School

Four Antioch tax practitioners and consultants recently enrolled for the Farm Income Tax School sponsored by the University of Illinois Cooperative Extension Service.

They included Pearl Cornelius, Gary Doolittle, Norman Jedeke and Jon Lasco.

Bob Schmerbauch, Lake County extension adviser for agriculture reported that a total of 50 tax practitioners from Lake County enrolled in the school.

They were among the 4,000 practitioners who enrolled in the 24 schools held in 24 different locations during November and December.

The two-day school provided intensive training and instruction for figuring. Please turn go page 9

Exercise, crafts offered in park's program

Antioch's Parks and Recreation department announced its winter and spring programs will start Jan. 23 with women's volleyball, boys' basketball, mother/daughter exercise and camp crayola preschool.

Women's volleyball is for those 16 and older from 8:30 p.m. to 9:30 p.m. beginning Jan. 23 and will run consecutive Tuesdays until March 13. Held at the Antioch Upper Grade School, the fee is \$5.

Boys' basketball is for those in fourth through sixth grades from 6 p.m. to 7:45 p.m. beginning Jan. 23 and will run consecutive Tuesdays through March 13. It will be held at the Antioch Lower Grade School and the cost is \$5.

Mother/daughter exercise is open to all mothers and daughters and will be instructed by Marianne Doyle, who has taught the course in the past.

It will be held from 7:30 p.m. to 8:15 p.m. beginning Jan. 23 and will run consecutive Tuesdays through March 13. Held at the Antioch Upper Grade School, the fee is \$4 for one person and \$6 for a mother/daughter combination.

Also, an after school bowling program will be offered for those from fifth through ninth grades. It will be held from 3:30 p.m. to 5 p.m. beginning Feb. 7 and run on Wednesdays through March 14 at Antioch Bowling Lanes. The cost is \$12, \$9 of which goes to the bowling lanes and \$3 to the village of Antioch.

A weaving class taught by Cathy Tanner, recreation supervisor, for anyone 10 years of age or older will be held from 4 p.m. to 5 p.m. starting Jan. 30 and running through March 5 once a week.

It will be held at the village hall and the cost is \$5 per person.

A pen, ink and watercolors class for those from fourth through ninth grades taught by Dorothy Larson, who has instructed the class previously, will also be offered.

It will be held from 7 p.m. to 8 p.m. beginning Feb. 6 and will run on Tuesdays through March 13 at the Antioch Township Library. The cost is \$6.

Also, a girl's and boy's gym night consisting of basketball and volleyball will be offered, beginning in mid-March.

The parks and recreation department will sponsor several special events throughout this winter and spring, including both lunchtime and popcorn movies, a kitefly day and Easter egg hunt.

For more details on special events and upcoming programs, contact the parks and recreation office between 8:30 a.m. and 4:30 p.m. Monday through Friday at 395-2160.

Chamber's dinner to be held Saturday

It's not too late to make your reservations for the Antioch Chamber of Commerce & Industry Installation Dinner/Dance.

If you have not already made plans for this Saturday evening, why not give the Chamber a call and join in the festivities.

The dinner/dance is being held at The Country House, Tiffany Road and Rte. 173 - Antioch, with cocktails at 6:30 p.m. and dinner at 7:30 p.m.

After dinner, there will be a brief installation program followed by music and dancing to the "Favour" Band.

"We promise to keep the ceremony to a minimum and the 'socializing' to a maximum. It promises to be a very entertaining evening," said Lee Trezise, executive secretary of the Chamber.

Call the Chamber office at 395-3381 for further information.

Entries needed for Illinois Miss Teen U.S.A.

Young ladies of Antioch are invited to enter the Illinois Miss Teen - U.S.A. Pageant to be held at the Sheraton-Oakbrook on June 29th, 30th and July 1st, 1979.

The Illinois Miss Teen - U.S.A. is the official State Preliminary to the Miss Teen - U.S.A. pageant to be held in Albuquerque, N.M. in November, 1979.

Contestants will be judged on scholastic and civic achievements; beauty; poise and personality. There is no swimsuit competition and the contestants may choose to give either a two minute speech on the subject "My Favorite Patriot" or a two-minute patriotic talent presentation. Contestants must be between the age of 14 and 18 as of Nov. 1, 1979 and must have at least a "B" average in school.

Each contestant accepted will be requested to participate in the volunteer community service program of the Miss Teen - U.S.A. Pageant. This program teaches teenagers to share and to participate in school and civic affairs. Each contestant will be required to contribute at least 12 hours of time to the community service of her choosing.

The winner of the Illinois Miss Teen - U.S.A. Pageant will receive a self-improvement course, \$500 cash scholarship to the school of her choice, and an all-expense paid trip to the national finals where she will compete for \$15,000 in scholarships, \$2,000 wardrobe, the use of new automobile for the reigning year and a \$2,000 personal appearance contract.

Those interested in entering the Illinois Miss Teen - U.S.A. Pageant may write for information to Vernetta R. Wendorf, State Director, 2678 Club Forest Drive, Conyers, Georgia 30207, or call (404) 483-6937.

Heart association to present film to AARP members

Antioch's chapter of the American Association of Retired Persons will have a guest speaker on Jan. 23 from the Lake County Heart Association.

The speaker, from the Heart Association's Cardiac Vascular unit, will show a film titled "Without Warning."

The AARP opened its meeting Jan. 9 without President Esther Aiani, who is in Pannella Park, Fla. Vice President Dolly Spiering acted in her absence.

Also to soon be in the sunny climate of Florida are Dolly and Clarence Spiering who will travel to St. Petersburg to spend three weeks with relatives.

Frances Winięcki, public relations director, said also at the Jan. 23 meeting, tickets will be sold for the Feb. 13 Valentine's day party.

The cost is \$1 and goes toward a fish sandwich or quarter-pound hamburger and hash browns from McDonald's restaurant and for dessert, ice cream.

The Antioch AARP, chapter 387, meets the second and fourth Tuesdays of the month at noon in Father Frawley Hall at St. Peter's Catholic Church.

Payson one of Big Pay Day finalists

Laverda M. Payson of Antioch is one of 20 finalists in a "Big Pay Day" cash bonus drawing Thursday and could win \$100,000 in the Illinois State Lottery drawing.

Her name was randomly selected Jan. 4 from among those Lottery players who matched the four-digit number on their weekly "Big Pay Day" ticket, between the sale of the 12th and 18th million ticket.

A preliminary drawing for the \$100,000 cash bonus prize is held each time six million "Big Pay Day" tickets are sold.

She is one of 20 finalists in the "Big Pay Day" drawing and will win one of the following: \$100,000 first prize, paid in one lump sum; \$10,000 second prize; three \$5,000 third prizes and 15 \$1,000 fourth prizes.

In the weekly "Big Pay Day" game, players who match the four-digit number win \$150 and enter into a preliminary drawing for \$100,000.

4 enroll

Continued from page 7 and filing farm as well as nonfarm federal and state income tax returns.

The Springfield and Chicago Districts of the Internal Revenue Service and the Illinois Department of Revenue provided specially trained instructors for the schools. They also helped plan and prepare teaching materials.

Schmerbauch said the school brought the tax practitioners up-to-date information on new federal and state income tax rules, regulations and interpretations. The end result of the school will be properly prepared income tax returns.

Farmers are urged by Schmerbauch to seek the counsel of competent income tax practitioners and consultants. The help of a well-informed tax practitioner is well worth the cost.

Miss Antioch contest deadline is Feb. 15

The deadline for Miss Antioch contest entries has been set for Feb. 15, the Antioch Chamber of Commerce and Industry has decided.

"That means that time is running out and we still need contestants," Lee Trezise, executive secretary of the Chamber said.

"This is our first year of competition and we want it to be a memorable year for the girls as well as an inspiration

and incentive for future years of competition," she added.

"Can you imagine the pride we would feel to see our candidate competing in the Miss Illinois, not to mention the Miss America Pageants — well, it is always a possibility," she said.

Trezise said the Chamber needs the community's support, financially and physically. "This is a worthwhile endeavor — the winner and runner-up will receive scholarships," she added.

To help fill some of the committee vacancies, call either Lee Trezise at 395-3381 or Chairman Brad Ipsen at 395-3111 to volunteer services.

Antioch keeps No. 1 title in win

COACH ROGER ANDREWS explains a play to his top-ranked Antioch basketball squad during half-time of the game against Stevenson. (News photo by Andy Dugenske.)

Antioch's varsity maintained its number one conference status last Friday when it got past Stevenson's Patriots 57-53 by scoring free throws, playing great team defense and doing a super job of rebounding.

Stevenson and Antioch had been tied for the title spot going into the game. The Sequoits will now face conference opponent Warren in an away game Friday as they will attempt to defend their top ranking against the Blue Devils, who are in a three-way tie for second place.

Warren also has one of the top players in the conference in Dave Kolar, a 6-5 all-conference star last year.

Another tough game will take place at Woodstock Saturday in a non-conference game for the Sequoits.

In last Friday's game, Antioch won a hard-fought battle over Stevenson to maintain its number one spot in the Northwest Suburban Conference with a 5-1 record.

Pete Ploss led the offense surge for the Sequoits with 30 points. Varsity Coach Roger Andrews said although the Sequoit cagers committed 23 turnovers, their solid team defense and strong rebounding contributed greatly to the victory.

Scott Gallagher led the team in assists with seven as he was able to hit Ploss with some fine passes, Andrews said.

The defense was led by Chris Oddsen and Ploss did not allow Stevenson to see the ball very often, he said.

Korjenek also backed up Ploss in scoring, as he hit for 15 points. Rob Nauman filled in very well for Oddsen, Andrews said. After Oddsen twisted his leg, Nauman contributed five points.

Roger Plechaty did a good job on defense as he grabbed a couple of key rebounds, the coach added.

"It was a real team effort and each player made his contribution to the victory," he said.

"Both teams were keyed up and somewhat tight. But it was a great game. Our poise in the last two minutes did the job," Andrews explained.

In the final seconds of the game, a key rebound by Korjenek, his free throw, followed by another foul shot by Ploss caused by a technical foul and Gutowski's two foul shots gave the Sequoits a 57-51 lead with seven seconds left.

The Sequoits then let Stevenson move down court to score the final basket of the evening, a sweet victory for the Antioch cagers, Andrews added.

The current conference standings in the Northwest Suburban League are as follows:

Antioch 5-1	Grant 3-3
Lake Zurich 4-2	Wauconda 3-3
Stevenson 4-2	Grayslake 1-5
Warren 4-2	Round Lake 0-6

Ice Fishing Derby to award \$7,000 in prizes

Prizes totaling over \$7,000 will be awarded in the annual Ice Fishing Derby of the Northern Illinois Conservation Club and the 885 Club to be held on Channel Lake Feb. 10 and 11.

The ice fishing contest, to be held from 9 a.m. to 4 p.m. both days, will award money to the outstanding fishermen as well as holders of winning derby tickets.

Ten different categories of fish will be featured in the derby, including perch, sun fish, bass, crappies, walleye, pike, catfish, northern pike, stripers and blue gills.

Prizes will also be offered for hourly fish catches and for various contests, such as sack races, three-legged races, ice auger contests, egg throwing competition and a scramble in straw piles for children.

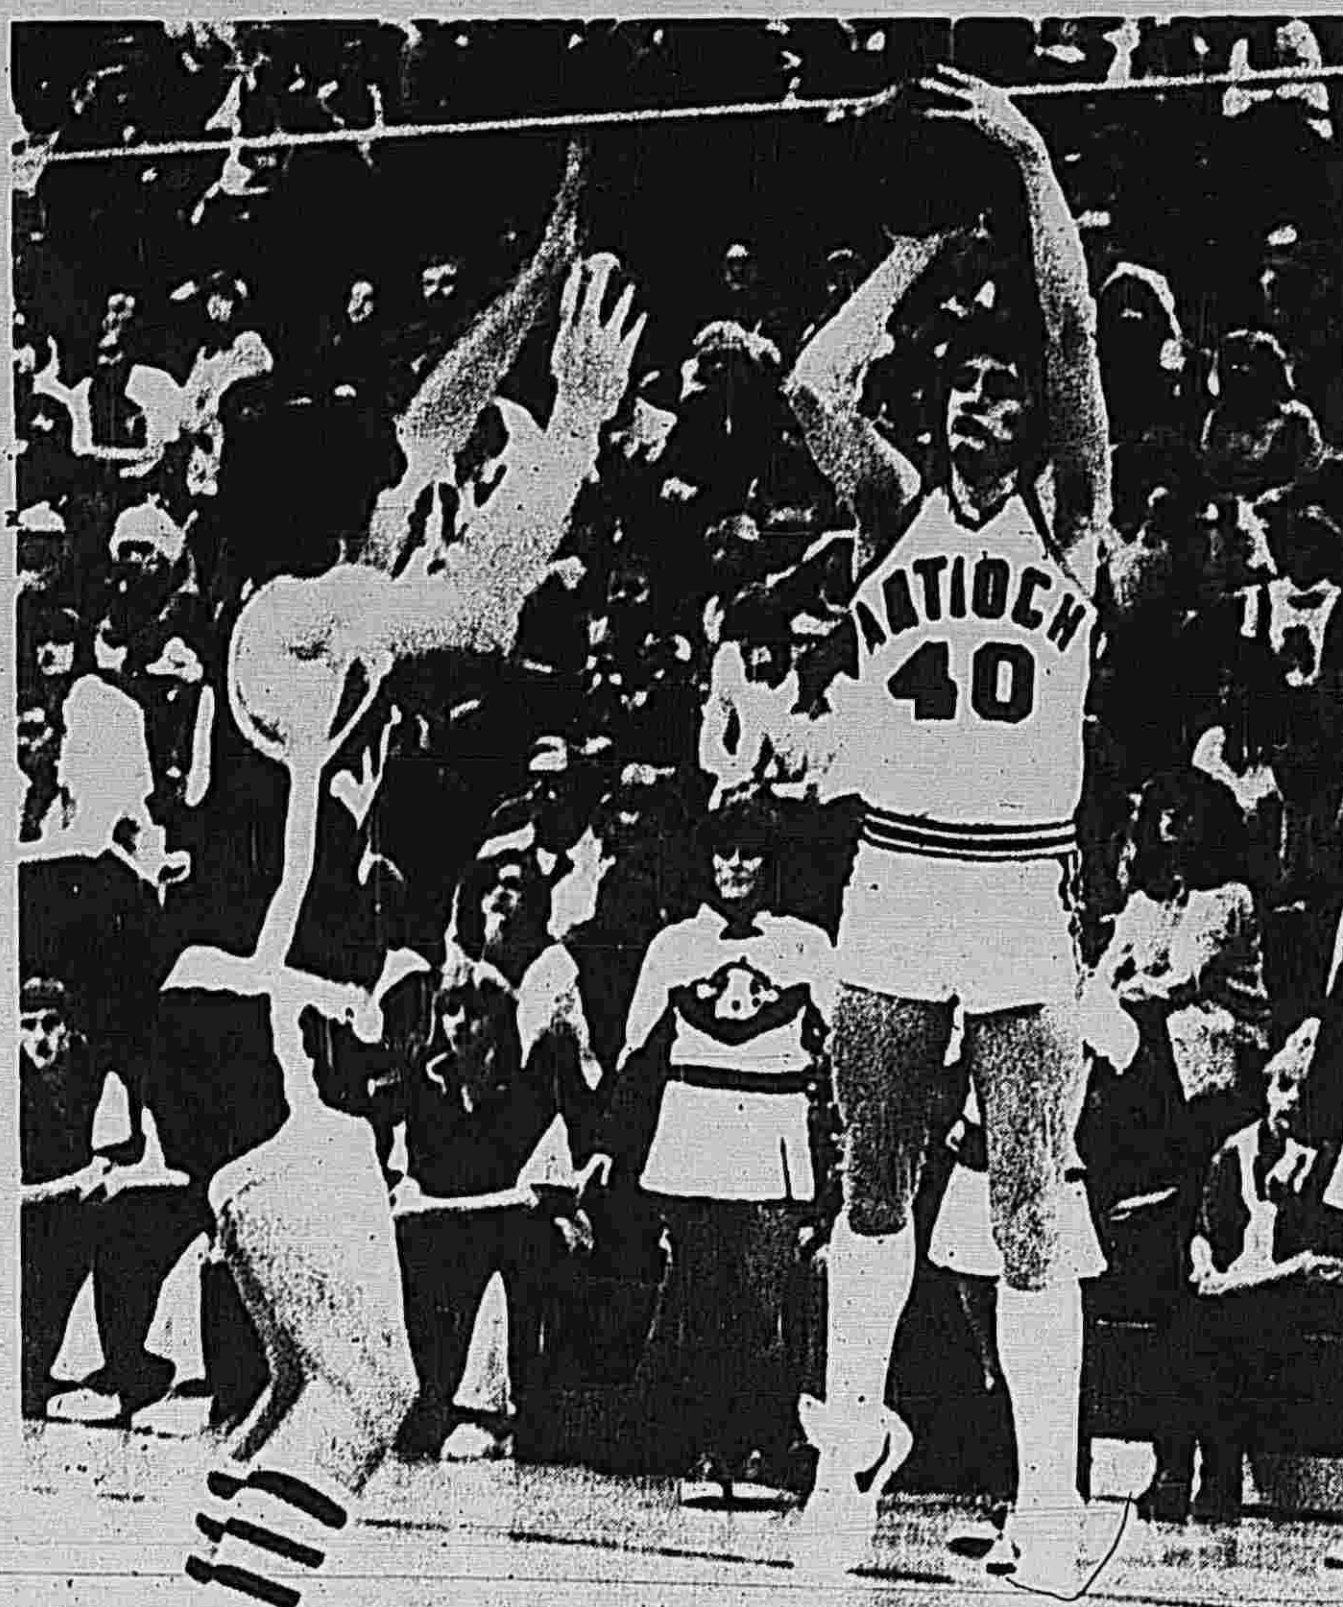

The Midwest Sled Dog Club of Lake Villa will feature demonstrations of dog sled racers with Alaskan Malamutes and Siberian Huskies.

Ice Fishing Derby proceeds will go toward the field of nature conservation and civic improvement.

For more information on the derby, call Charlie Rayman at 644-2222.

Sequoits stay hot on mats

Despite the cold temperatures outside, the Sequoits were hot on the mats as they plowed through Stevenson 52-4, Highland Park 38-15 and Wheeling 32-8.

The wrestlers appear to have shaken off the holiday doldrums and are in good shape for this weekend's test against Warren Friday night at Antioch, Coach Ted DeRousse said.

Against last weekend's opponents, Antioch used 16 different wrestlers on the varsity and 17 wrestlers on the JV level in a great display of varsity team depth.

AT 98 POUNDS, Glen McCollum won two matches out of three including an exciting 7-3 comeback win at 105 pounds against Eric Motel of Stevenson.

At 105 pounds, Dave Unrien won 6-0 against Wheeling and Jon Gibson pinned Scott Close of Highland Park.

At 112 pounds, Dan Larsen beat Highland Park 9-0 while Jon Gibson scored a pin against Stevenson. Jon also wrestled up a weight against Wheeling and went against Todd Wilson.

Wilson brought an undefeated record to the meet. In the first period Jon scored a takedown and rode Wilson out for a 2-0 lead.

In the second period, Wilson escaped for one but Jon took him down again for a 4-1 lead going into the third. Wilson let Jon escape for a 5-1 lead but took Jon down to narrow his lead to 5-3. He let Jon go again but this time his strategy backfired as Jon took him down with a beautiful headlock for a five point move (2 point takedown, and a 3 point near fall). Jon won the most exciting match of the weekend 11-4.

At 119 pounds, Tim Haviland won two and lost a close 5-4 match to Highland Park.

At 126 pounds, Jim Fasnacht won a fall, major decision and lost a close 8-3 match to Highland Park.

At 132 pounds, Marvin Gibson ran his season record to a team leading 23-2 with two falls and a 6-0 decision.

At 138 pounds, Glen Kaht scored a fall over Stevenson and an 8-3 loss to Wheeling's outstanding Pat Miller. Jeff Gross pinned his Highland Park foe.

At 145 pounds, Vic Mannina scored a fall, an 11-0 decision and a 2-2 tie.

At 155 pounds, Kirt Sarmont lost a 10-4 decision to Highland Park. Gene Lehn celebrated his return to dual meet competition with a 6-2 decision over Wheeling and a close 4-2 win over Joe Scaletta of Stevenson as he scored a reversal with one second remaining to win.

At 167 pounds, Jeff Thiel won two decisions and lost an 8-4 decision to Highland Park in a battle of takedowns.

At 185 pounds, Mike O'Hara won all three matches. Mike's grandparents, who had never seen Mike wrestle, braved the snowstorm Saturday to see Mike get two pins.

Heavyweight Ted Bessette won a 7-2 decision over Stevenson highlighted by Ted's two takedowns. He also picked up a win over Highland Park.

Girls' varsity basketball team beats N. Chicago

On Jan. 8, the Antioch Girls' Varsity basketball team continued their non-conference schedule with a loss at McHenry.

The game was within reach at half-time, but McHenry quickly put it out of reach with a press which they continued to use until the end of the game.

Bright spots of the game included a 17 point performance by Tracy Manuel and fine play at guard by junior Jenny Behne.

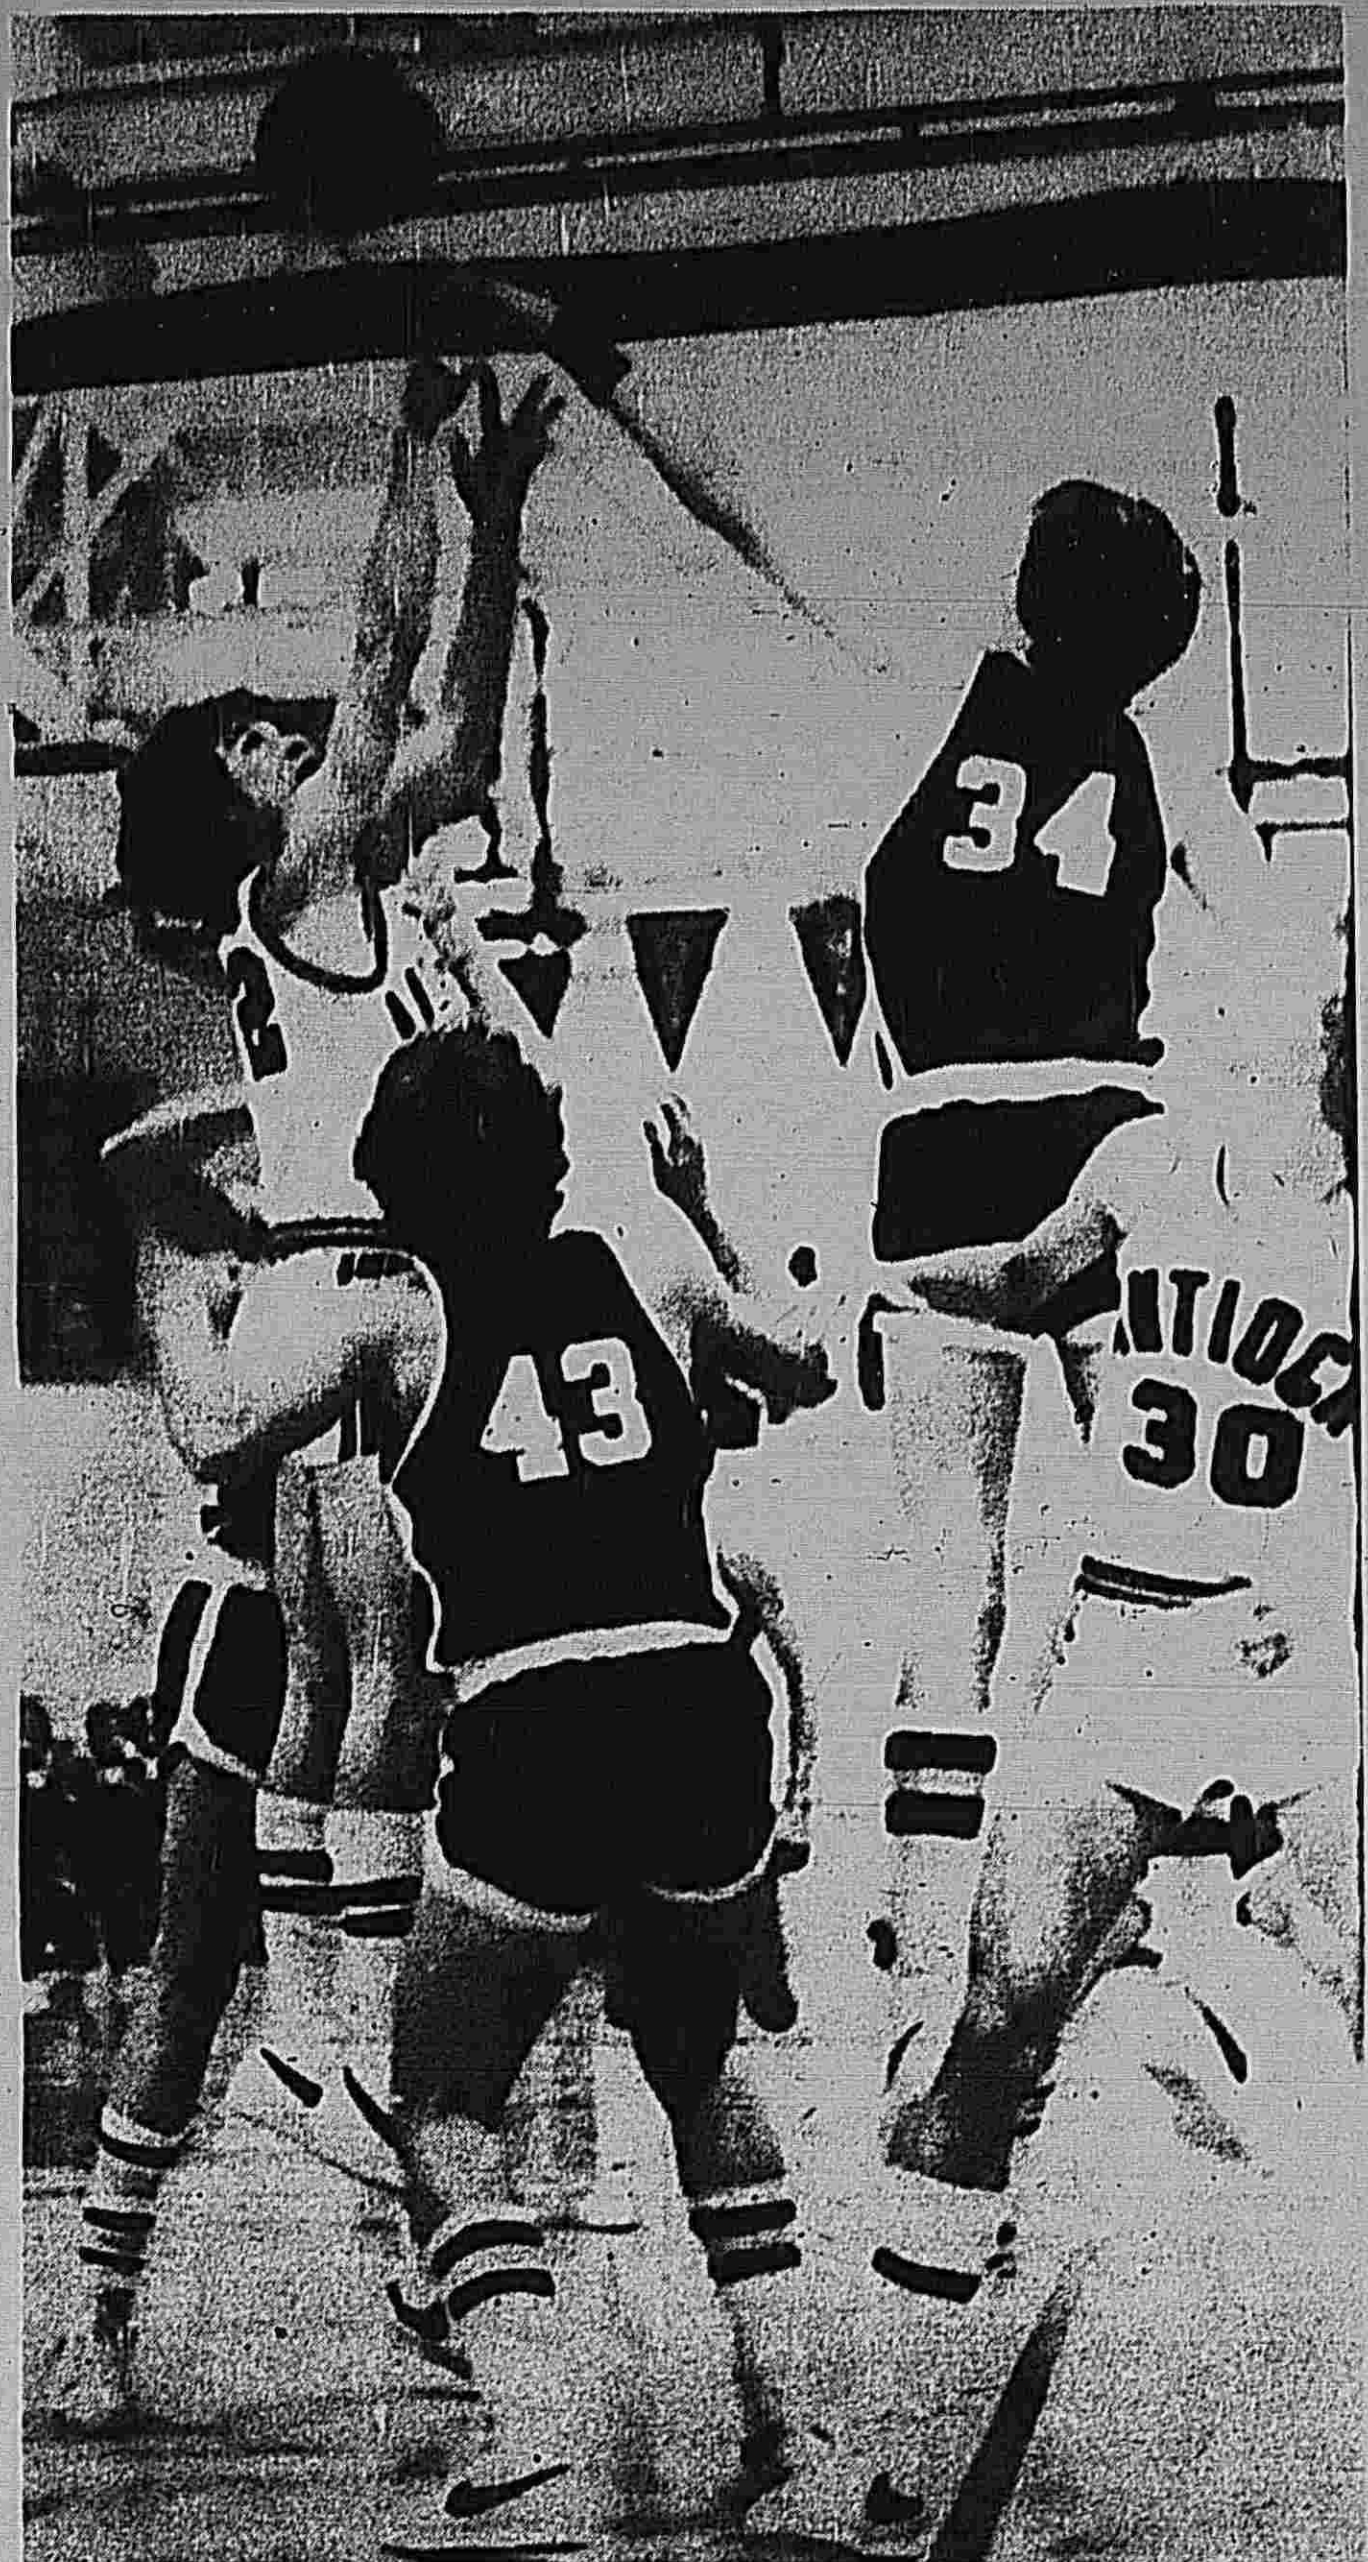

On Jan. 11 Antioch won an exciting game 28-27 at North Chicago, boosting their pre-conference record to 3-4. The score was kept low because of strong defensive efforts by both teams, Coach Chris Coolidge said.

Trailing 25-22 with less than two minutes to go, the Sequoits refused to give up. Mae Stiles scored the last six points, the final two with 20 seconds to go to give Antioch the victory.

In addition to the fine play at guard by Mae Stiles, strong games were recorded by Kathy Oddsen with 17 rebounds and Tracy Manuel with 14 points.

The victory was especially gratifying because North Chicago had previously beaten both Mundelein and McHenry who had scored one-sided victories over Antioch, Coolidge said.

Antioch begins its conference schedule Tuesday at home against Stevenson. On Saturday at 1 p.m. Antioch plays at Grayslake and Tuesday, plays the tough Grant team at home, at 4:30 p.m.

Girls' Faith Lutheran wins first 4 games

The Faith Lutheran Lakers girls' basketball team got off to a good start this season by winning their first four games.

Their first opponent was St. John's Lutheran of Oak Creek, Wis. The second quarter seemed to be the crucial point of the game as the Lakers scored 16 points while holding St. John's down to 2. Laura Hedien led in the scoring with 21 points and Cheryl Anderson added 16. The final score was 58-16.

The second game took the Lakers to Lake Geneva where they faced the First Evangelical Lutheran "Badgers." Good rebounding and fast breaks led the Lakers to a 48-7 victory. Cheryl Anderson and Laura Hedien tied in the scoring with 14 points each.

Wisconsin Lutheran of Racine was the girls' next

opposition. The Laker defense proved to be too much for the W.L.S. team as they held the Lakers down to 2 points for the entire game. The final score was 24-2. Top scorers for the Lakers were Jodi Johnson with 9 and Cheryl Anderson with 8.

The Lakers fourth victory came against Immanuel Lutheran of Waukegan. Once again the tight zone defense of the Lakers kept the Immanuel Rangers from scoring, as the half-time score showed Faith 19; Immanuel 2. Final score was 42-8. Jodi Johnson led in scoring with 16 points and Laura Hedien added 12.

Other members of the team are Kathy Graef, Marie Lundgren, Janice Van Patten, Michelle Neals and Sonja Tiegs.

3-way tie in basketball contest

In the Antioch News' basketball contest, a three-way tie for first place existed this week as contestants correctly predicted that Antioch would defeat Stevenson by four points.

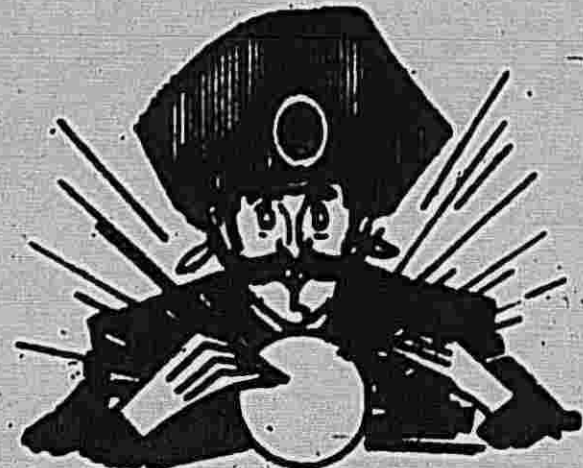

The three were Donna Gutowski of Crest Lane, Tony Besson of Harden Street and George Boyd of Park Avenue.

The tie-breaker game which would have determined the winner, was cancelled Saturday due to the blizzard. Antioch was to have played Lake Forest in a non-conference game at home.

Because of this, the \$15 cash prize from Bob's Septic and Cement Service, the \$10 gift certificate from B.J. Rush Studio and the \$5 gift certificate from Las Vegas Restaurant will be awarded when the Sequoias play Lake Forest in a rescheduled game.

The date of the game is not known at this time.

Other contestants who came very close in predicting the score of the Antioch vs. Stevenson game were Mike Koss, five points; Gary Doolittle, five points; Don Rodgers, two

points; Bernie Gutowski, five points; Shirley Gutowski, eight points; and Betsy Houghton, seven points.

An interesting contest is coming up this weekend when Antioch faces the Warren Blue Devils away Friday night. Antioch will try to defend its conference title against second-ranked Warren.

Be sure to see page 11 and enter. There are \$30 in prizes to be given away.

Hickey appointed relations manager

George J. Hickey Jr. of Antioch, has been named industrial relations manager for Kitchens of Sara Lee, Deerfield, Ill.

His appointment was announced by Arthur F. Vyse, vice president, personnel.

In his new position, Hickey has assumed leadership of the personnel in the company plants in Deerfield and New Hampton, Ia. Hickey was formerly personnel manager for the Deerfield plant.

Prior to joining Kitchens of Sara Lee in 1973 Hickey held a similar position with Nestle Co., Burlington, Wis., and was a teacher in Chicago.

He holds a bachelor's degree from Illinois Bene-

GEORGE J. HICKEY JR.
dictine College and has attended Northeastern Illinois University graduate school.

Upper Grade wrestlers

The Antioch Upper Grade wrestling team defeated a tough, very fine Harvard wrestling squad 51-42 this past weekend.

The Antioch boys exhibited a 100 percent team effort, which paid off in the victory, Coach Ken Anderson said.

Wrestling for draws in their matches were Cal Knutsen (70 pounds), Jeff Niece (80 pounds) and Chris DeWitt (85 pounds).

Winning by decisions were Tod DeRousse (90 pounds) 3-1, in a very close match; Tibor Jung, 2-0 in a thriller and Steve Case (95 pounds) 9-2.

Winning by falls were Brad Larson (100 pounds),

John Oelkers (111 pounds), Andy Lehn (125 pounds), George Bessette (145 pounds) and Billy Carney (155 pounds).

The Upper Grade has also defeated Olson of Woodstock 72-15 and Lake Villa Wrestling Club 51-12. The Apaches remain undefeated this season in dual meet competition.

The Upper Grade wrestles tonight at Northwood Junior High School at Woodstock.

LEGAL VILLAGE OF ANTIOCH NOTICE OF PUBLIC HEARING

To Whom It May Concern:

A Public Hearing will be held at the Antioch Village Hall, 874 Main St., Antioch, Illinois on Wednesday, February 7, 1979 at 8:30 p.m. on the following:

PETITIONERS: Mayor and Board of Trustees of the Village of Antioch
ADDRESS OF PROPERTY: 701 Main Street, Antioch, Illinois.

LEGAL DESCRIPTION: Lots 20, 21, 25, 26, 27, 28 and 29 (except the West 60 feet of said Lot 29) in Book's Addition to the Village of Antioch, being a subdivision in the Northwest Quarter of Section 8, Township 47 North, Range 10, East of the Third Principal Meridian, according to the plat thereof, recorded December 26, 1890, as Document 43816, in Book "B" of Plats, page 36 in Lake County, Illinois.

CHANGE IN CLASSIFICATION SOUGHT:

Special Use Ordinance Number 77-7-12 be amended as follows:

1. Section 2 of said Ordinance shall read as follows:

SECTION 2. Said senior citizens housing development shall contain 45 one-bedroom apartments; 35 two-bedroom apartments; and 10 three-bedroom apartments.

2. Section 4 is amended to read as follows:

SECTION 4. The Special Use permit herein provided for shall automatically expire in two years from the date of the passage of this

Ordinance, July 18, 1977, if the ground for said project is not broken, unless the developer can show just cause why not to revoke said Special Use Permit; or in the opinion of the Mayor and Board of Trustees of the Village of Antioch, reasonable steps are being taken to commence construction of said project as soon as possible. At any time during the construction of said project, the Board of Trustees may revoke said Special Use Permit, if, in the opinion of the Board of Trustees and the Village Engineer, the developer has not taken reasonable steps to complete said project within a reasonable period of time from the commencement of construction.

All persons desiring to appear and be heard thereon for or against said petition may appear at said Hearing and be heard.

Dated this 10th day of January, 1979.

'78: Coldest year since '29

The calendar year 1978 was the coldest year since 1929, according to records kept by Northern Illinois Gas.

"We may have had colder winters during the past 49 years, but no January to December period has been colder," said Owen D. Bekkum, NI-Gas president.

Because of the bitter cold temperatures experienced between noon Jan. 1 and noon Jan. 5 this year, NI-Gas distributed 13.3 billion cubic feet of gas. During the four-day period NI-Gas supplied the energy equivalent of 2.3 million barrels of oil, Bekkum added.

The utility's peak send-out to date for one day during 1979 occurred during 24 hours beginning noon, Jan. 2 when 3.57 billion cubic feet of gas was supplied to customers, Bekkum said.

Snow-- It makes the going tough

The blizzard that hit Antioch last weekend caught Saturday morning shoppers by surprise as the storm beat down and forced traffic to crawl through the downtown area.

In the top photo, a stranded motorist has his battery jumped by a helpful person. A snowplow, left, makes its way through Main Street in the midst of the blizzard Saturday to clear the way for the remaining cars on the road.

In the bottom photo, the sign says "Exit Only" which is impossible for the cars buried in the village parking lot next to Barnstables.

Some cars along Main and Lake Streets could barely be detected from under the thick blanket of snow which covered them. Motorists were advised to stay off the roads as village crews worked around the clock clearing them.
